

## Test Report #420.211.1 Rev.0 EMC tests on the devices/equipment:

### AX-3500, AX-3000

**Equipment under Test:**

**Description:** Wireless Access Point  
**Model:** AX-3500, AX-3000

**Applicant/ Manufacturer:** OctoGate IT Security Systems GmbH  
Friedrich-List-Str. 42  
D-33100 Paderborn, Germany

**Test laboratory:** CEcert GmbH.  
Alter Holzhafen 19/19a  
D-23966 Wismar, Germany

**Summary of Test and Certification:**

Tests	Standards	Result
<b>Emission:</b>		
Radiated emission	IEC 60601-1-2:2014	<b>PASS</b>
<b>Interference immunity:</b>		
Electrostatic discharge	IEC 60601-1-2:2014	<b>PASS</b>
Electromagnetic field	IEC 60601-1-2:2014	<b>PASS</b>
Electrical Fast Transient (Burst)	IEC 60601-1-2:2014	<b>PASS</b>
Conducted disturbances, induced by RF-fields	IEC 60601-1-2:2014	<b>PASS</b>
Magnetic field (power-frequency)	IEC 60601-1-2:2014	<b>PASS</b>

**Explanation:**

PASS – The EUT meets the test requirements.    FAIL – The EUT does not meet the requirements    N/A – Test is not applicable

**Evaluation:**

***The Equipment under Test (EuT) meets the EMC requirements of the IEC 60601-1-2 (home healthcare) in the above listed specification.***

**Period of test:** 2020-12-10 - 2021-02-01  
2020-03-15 - 2021-04-09

This test report with Appendix consists of **25** pages.
